

Enclosed herewith are two (2) sheets of substitute drawings showing Figures 2 and 4 to each of which has been added a legend PRIOR ART. No new matter is included in the substitute drawings.

No changes to the Specification are believed to be necessary or desirable.

ANALYSIS & DISCUSSION

Comments of Primary Examiner John B. WALSH have been reviewed carefully along with pertinent sections of the Patent Act, Patent Rules, Manual of Patent Examining Procedure, legal treatises and relevant decisional law. Corrected drawings are presented herewith. Favorable reconsideration of the Application is solicited earnestly.

To each of Figures 2 and 4 of the drawings has been added a legend PRIOR ART. In view of the foregoing submission and explanation it is believed that the Application now is ready for allowance. An early Notice of Allowance will be appreciated.

Courtesy, cooperation and skill of Primary Examiner John B. WALSH are

acknowledged and appreciated.

Respectfully,

BY: Charles E. Baxley
